

iZ Drops In For A Visit

Welcome to the year's first edition of Drop In, iZ Technology's e-Bulletin for recording studio owners and audio industry professionals. Drop In has been in circulation to iZ Technology Dealers for over a year as a source for iZ Technology product information. Due to increasing interest, we are expanding it to all our customers and associates industry wide. We hope you enjoy it.

You have received this Drop In because you expressed an interest in iZ Technology products at some point in the past through trade shows, direct enquiries, etc., or you are already a RADAR user. If you are on this circulation list in error or prefer not to receive future editions, please email dropin@izcorp.com with 'please remove' in the subject line.

iZ Announces Spring Demo Unit Blowout

iZ Technology is blowing out all remaining RADAR 24 demo stock to make way for new RADAR V demo systems. Models range from RADAR 24 Project to RADAR 24 S-Nyquist. These units are priced to clear before year end and will be sold on a first come, first serve basis. Each system will have the latest software installed, receive a full system test and carry a 30 day warranty.

Call 800-776-1356 or email izSales@izcorp.com for pricing and system configurations.

Buy Adrenaline Plus, Get Free 3 Bay

For a limited time, iZ Technology will include a 3 Bay upgrade, Processor upgrade and RAM at no extra charge with any Adrenaline Plus upgrade purchase. 3 Bay upgrade includes a SCSI or Serial/Parallel ATA drive receiver in the middle bay (drive not included). Up to \$1,300.00USD value. Offer is good until May 31, 2006. North America only.

RADAR 24 Upgrade Alert - PIII Processor Reaches End Of Life

iZ Technology has done a final lifetime purchase of 50 1GHz Pentium III processors for RADAR 24. A minimum 800Mhz processor is required for Version 3.30 software and up, but further upgrade to these Pentium III processors is highly recommended to ensure compatibility with future software releases. Price is \$185.00USD.

RADAR V S-Nyquist Models For Cover

Check out the December 2005 edition of [Pro Audio Review](#) for a front cover shot of RADAR V and an in depth review inside. This is the first of several RADAR V reviews planned in major professional audio publications in the coming months.

Click Track Rolls With RADAR V

Ottawa, Ontario based [Click Track Audio](#) recently rolled out their new audio truck featuring a 48-track RADAR V Classic system. See a full feature on the truck in December's [Professional Sound](#) magazine.
